- a. Page 1, 1-4; can we get out of doing these two items at least initially, by hauling the trash to Langley for disposal? If we do, and then a shredder is needed, what is the cost?
- b. Page 1, 1-5; before we invest \$30,000 for this scanning device, I suggest we wait and see what the pattern of direct mail to the building looks like. We will then be in a better position to make a judgment.
- c. Page 2, 1-1; what is the precise reason [REDACTED]
- d. Page 2, Second Floor, 1-1; this appears to me to be an exorbitant price. Is there any other way, at considerably lesser cost, of accomplishing the goal?
